

Romantic Packages at Deep Blue

Our peaceful, beautiful location makes Deep Blue the perfect destination to celebrate honeymoons or wedding anniversaries. We can offer our guests the following “romantic package” which is a supplement to our room rates.

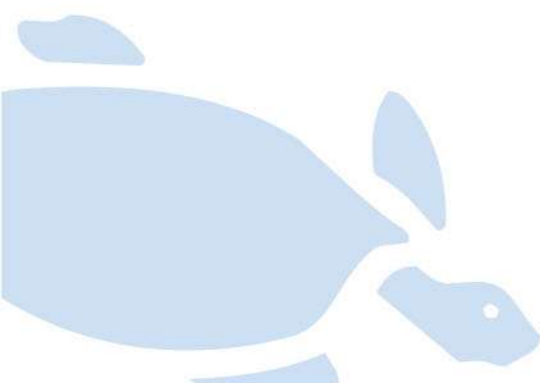

- Romantic, candle-lit multi-course dinner for two based on our chef’s Seafood Tasting Menu. Dinner is served under the stars on our best table at the end of our pier, illuminated by lanterns. Dinner will be served on your first night unless otherwise requested. Drinks are not included. *
- Bottle of sparkling wine in your room upon arrival.
- Flower petals scattered in your room after your romantic dinner.

Total cost including taxes: 300,000 pesos

This price is **in addition to room rates**, which can be found on our website. We recommend guests select one of our rooms with a private whirlpool or Jacuzzi (either a Luxury Suite or a Jacuzzi Suite).

Romantic packages are subject to availability and prices might be changed in the future.

* If it were to rain, which it occasionally does, we might have to move you to a table inside the restaurant.
